The Early Years of Indira Gandhi

In my mind, I have always divided my childhood into the years spent in what I still think of as the old Anand Bhawan, formally known as Swaraj Bhawan. The old house was spacious with long elegant lines. A number of cousins and relatives were always staying with us. There was a great deal of entertainment and social and other activities.

My father, mother and I lived upstairs and this gave us togetherness as well as privacy from the others. It was like a two-room flat, a large bedroom adjoining a library-cum-sitting room, with a wide veranda covered with glazed pottery. For most of the year all our activities – meeting friends, reading, sleeping, and so on -took place on the veranda rather than in the rooms. On either side of our rooms were open terraces -- heaven for a child who loved to run.

My grandfather was the head of the family. His towering personality, dominated any scene or company. But the centre of my small universe was

my father. I loved, admired and respected him.

He was one person who had time to take my endless questions seriously. He awakened my interest in the things around, no less than in trends of thought and, above all, in the whole purpose of freedom. Also I could not bully him, which I did my mother to some extent, although she could be and was firm as a rock in matters which she considered essential to discipline or character-building. Both my grandmothers were fair targets so far as sweets or fruit were concerned or in pleading my cause with my parents. Especially my paternal grandmother (Dadi, or grandmother from my father's side of the family) whom I called Dol Amma, because of the sweets she kept in a 'dol' (hanging basket). My grandfather – I called him Dadu -- although strict with others, was very lenient towards me.

Among the first things I remember is a robbery which took place in Dol Amma's rooms. Not much was lost, because the heaviest box which was full of books was left in a nearby field.

इंदिरा गांधी के शुरुआती वर्ष

मेरे ख्याल से, मैंने अपने बचपन का अधिकांश समय पुराने आनंद भवन में बिताया था जिसे अभी स्वराज भवन के रूप में जाना जाता है। पुराना घर काफी विशाल था और इसमें सुरुचिपूर्ण नक्कासी भी की गई थी। चचेरे भाई और रिश्तेदार हमेशा हमारे साथ रहते थे। वहाँ सबकुछ मनोरंजन और सामाजिक और अन्य

गतिविधियों से भरा था।

मेरे पिता, माँ और मैं ऊपर की ओर रहते थे और इससे हमें घनिष्ठता और दूसरों से गोपनीयता मिली। यह दो कमरे के फ्लैट की तरह था, बड़ा बेडरूम एक लाइब्रेरी और सिटिंग रूम से लगा हुआ था, और बड़े बरामदे में चमकीले मिट्टी के बर्तन रखे हुए थे। अधिकांश वर्षों में हमारी सभी गतिविधियाँ - दोस्तों से मिलना, पढ़ना, सोना इत्यादि - कमरे के बजाए बरामदे में करते थे। हमारे कमरे के दोनों ओर खुली छतें थीं - एक बच्चे के लिए स्वर्ग जो दौड़ना पसंद करता था।

मेरे दादा परिवार के मुखिया थे। उनका बढ़ता हुआ व्यक्तित्व, किसी दृश्य या मंडली पर हावी रहता था। लेकिन मेरे छोटे ब्रह्मांड का केंद्र मेरे पिता थे। मैं उनसे प्यार करती थी, प्रशंसा करती थी और सम्मान करती थी।

वह ऐसे व्यक्ति थे जिन्होंने मेरे अंतर्हीन प्रश्नों का जवाब गंभीरता से दिया था। उन्होंने ने ही आसपास की चीजों के प्रति मेरी रूचि जागृत कर मेरी विचारधारा को दिशा दी, खासकर स्वतंत्रता के संबंध में। इसके अलावा, मैं उन्हें परेशान नहीं कर सकती थी, जैसा मैंने अपनी माँ को कुछ हद तक किया था, हालांकि वह ऐसी चीजों में चट्टान के रूप में दृढ़ हो सकती थी, जिसे वह अनुशासन या चरित्र निर्माण के लिए आवश्यक मानती थी। दादी-नानी का उचित लक्ष्य था, मिठाइयों और फलों की मांग माता-पिता से करती थी। खासकर मेरी दादी-नानी (मेरे पिता के परिवार की तरफ से दादी या नानी) जिन्हें मैं डोल अम्मा कहती थी, मिठाई होने के कारण उन्होंने इसे 'डोल' (हैंगिंग बास्केट) में रखा था। मेरे दादा - मैं उन्हें दादू बुलाती थी - यद्यपि दूसरों के प्रति सख्त थे, मेरे प्रति बहुत उदार थे।

मुझे याद रखने वाली पहली चीजों में से एक चोरी है जो डोल अम्मा के कमरे में हुई थी। ज्यादा नुकसान नहीं हुआ था, क्योंकि किताबों से भरा सबसे भारी बॉक्स पास के मैदान में छोड़ दिया गया था।

Honestly for most people, it is not easy to get up first thing in the morning, especially when it is still dark. But a lot of successful people say that If you win the morning, you win the day. There are all kinds of concepts about rising early. There is the one about the early bird getting the worm, to which I always reply that I do not want the worm. However, there are so many other benefits to waking up early, from better performance in school to being more able to stick to a diet plan. In this article, you will get to know the benefits in more detail, provide you some helpful tips to make rising early a habit and a morning routine. Listed below are some benefits of waking up early. Helps you to maintain a healthier diet. People who wake up early know how to do it and tend to eat breakfast while later risers are often rushing out the door and have to grab something convenient which is unhealthy or they skip the meal altogether. The problem with skipping breakfast is that it leads to poorer eating habits later in the day. If you are hungry because you missed a meal, the doughnut in the break room may be too alluring to resist. Helps your skin look healthy. After a night of restful sleep, our skin is at its best first thing in the morning. And if you are an early riser you can take advantage of the morning hours to give your skin some extra TLC. Similar to the breakfast example above, people who get up later in the day tend to focus less on healthy morning habits like hydrating and exercise which oxygenates your blood and gives healthy skin. Early morning risers can also use the extra time to moisturize and cleanse. People who wake up early also tend to have regular sleeping habits unlike the night owls who keep improper sleeping schedules. Having a expected sleep routine ensures that your skin gets proper time to revive. Gives you More Time to Exercise. People enjoy an after work gym session as much as the next person, but people also admit to missing a fair number of workouts because of commitments at the office or with my family. And sometimes, people are tired after a full day of work. When you exercise in the morning, you are less likely to have an excuse. Plus, you will find that your morning workout will keep you energized all day long. Better Concentration. Starting your day early improves your concentration. There is one more thing you get with being able to focus on goals. Getting up early means that by the time you get to work or school, you have had hours to properly prepare yourself for the day. You will be more alert during peak hours as a result. So these are some benefits that you will get if you rise early in the morning.
